Greetings, Prospective Career Day Speaker!

Lilburn Middle School would like to invite you to take part in our annual **College and Career Day: Planning for the Future**. This wonderful opportunity is on **Thursday, February 1, 2018**. We hope professionals such as yourself will be able to come and share interesting facts about your chosen career with our students. Your participation will help us meet our goal of exposing our students to the many professional opportunities available to them in the future. With your support, they will be able to make informed decisions about their educational experience for years to come.

As a presenter, we ask that you prepare a challenging and interesting discussion and/or activity for our students. Class sizes range anywhere from 25 to 40 students. If possible, please provide students with samples, handouts or brochures, and other items related to your profession. **Each session is 40 minutes**. Of course, the more sessions you are able to sign up for, the better! Lunch will be from 11:25AM to 12:25PM, and light refreshments will be available throughout the day.

Please see the available times in the link below.

If you are able to be a participant in this event, please [click here](#) to RSVP. For additional questions or concerns, please email me or contact me at 770-806-3852.

Thank you for your time, and we hope you are able to join us!

Sincerely,

Jameela Hall, M.Ed.

Professional School Counselor
