Greetings, Friends of Lilburn Middle School!

Lilburn Middle School would like to invite you to participate during our annual ***College and Career Day: "Preparing for the Future with a Growth Mindset."*** The event is scheduled for **Wednesday, January 29, 2020**. We hope you will be able to join us and share interesting facts about your chosen career and/or college path. Your participation will help our students make informed decisions about their future today. As a presenter, you will be escorted to classrooms which are all equipped with a computer, a VCR, a projector, and a Smart Board.

We ask that you prepare a challenging and interesting discussion and/or activity for our students. Class sizes range anywhere from 25 to 45 students. If possible, please provide students with samples, handouts or other items related to your profession. **Each session will be 35 minutes.** Light refreshments will also be offered throughout the day. For those of you staying the entire day, you will be able to leave campus for lunch from 11:35 AM to 12:30 PM or eat in the school cafeteria.
