

## Hopkins Elementary School's STEAM Day and / or Night Event

---

**Shan Hicks** <Shan.Hicks@gcpsk12.org>

Hello,

My name is Shan Hicks. I am one of the instructional coaches at Hopkins elementary school. As a part of the Lilburn community, Hopkins elementary school would like to invite you and your organization to attend our STEAM day and/or night on March 30, 2023. During this event, individuals and organizations have an opportunity to show our students what they do and how their works affect and help change our communities. Since you and your organization are a vital part of our community, we would like to invite you to share the awesome works you do in our community. If you are able to attend our STEAM day and/or night function, please email me back with the answers to the following questions. We are looking forward to hearing all about the awesome works you and your company do that help to improve our community.

1. Will you be able to come to Hopkins to show our students the awesome job you are doing in our community?
2. What will be your available times you can come on Thursday, March 30, 2023?
3. If you are willing to stay more than one 30 minutes session, how many 30-minute sessions will you be able to come to our school to present? Please note: Each session will be 20 minutes with 10 minutes break in between.

Thank you for all you do. Please feel free to let me know if there is anything I can do to help.
