

## LBA MEMBER SPOTLIGHT OF THE MONTH

One of the most valuable benefits of membership in the Lilburn Business Association is the opportunity to be our Member Spotlight of the Month. When your business is Spotlitged, you will receive the following:

- A pride of place mention in the newsletter for that month
- The opportunity for a 5-minute mic at the monthly luncheon
- The opportunity to write a blog post or if you don't want to write it yourself, we will write it for you
- The opportunity for a short video about you and your business
- Mention throughout the month on our Social Media

If you are interested in being a Member Spotlight, contact Donna Hill, LBA Vice President, at 770.274.9724 or [dhill@e2ebenefits.com](mailto:dhill@e2ebenefits.com). Let your light shine!
